Vote Conservative to have yet another councillor who won't listen to you.

RingGo pay only

Churchill Theatre sale

Potholes and more

The local Conservatives are not listening to residents.

- X Unpopular policies forced on residents such as the use of RingGo parking app.
- X Selling off public buildings after years of neglect like the Churchill Theatre site.
- X Letting our area fall into disrepair with potholes, broken pavements and graffiti.

Vote Lib Dem to send the Conservatives a message they can't ignore

Tudor Griffiths, a resident of Hayes for over 20 years, will be a first-class Councillor. A vote for Tudor is a vote for:

- ✓ A Councillor with integrity who will listen to you and put our area first.
- ✓ A strong voice dedicated to getting action on issues that matter to residents.
- ✓ A champion who cares about Hayes & Coney Hall.

## Back Tudor's plan

**Neighbourhood safety:** Local businesses need the police to deal with shoplifting and anti social behaviour. I will meet regularly with Police and Community Support Officers to focus their resources.

**Parks:** Our beautiful parks and green spaces can't just be left to fend for themselves. I will champion regular care and improvements.

**Maintenance:** Residents regularly report problems on FixMyStreet, but action is often slow and ineffective. I will monitor reports, chase up action and report back regularly.

**Holding the Conservatives to account:** I will scrutinise, publicise and challenge decisions that are not right for our community.

## Communities across the UK are choosing Lib Dem Councillors...

- Liberal Democrats are winning Council seats across the country.
- In by-elections in England and Wales local people are choosing Liberal Democrats to represent their community.
- Since May 2023 the Liberal Democrats have increased their Council seats by 13 compared to none for Labour and a loss of 16 for the Conservatives

## THIS is our chance to put Hayes & Coney Hall first

“ Hayes and Coney Hall needs a Councillor who will fight for action on issues that matter to local people. A Councillor with integrity who will speak up for you and won't accept unpopular Conservative policies.

The people of Hayes and Coney Hall know what our area needs and as your Councillor I will listen and take action.”
